

Operation Access enables Bay Area health care providers to donate vital surgical and specialty care to people in need. We envision health care equity for people facing barriers to care.

## San Mateo County Statistics

■ Surgical Procedures and Diagnostic Services ■ Referrals to OA

Since 2001, Operation Access has provided care coordination, patient navigation, and volunteer engagement to coordinate over 1,700 surgical procedures and diagnostic services for low-income, uninsured San Mateo County residents.

There is a continued need for services among those still uninsured despite the Affordable Care Act, including undocumented immigrants.
