

# Operation Access

*Bridging the Healthcare Gap*

*We envision health equity for people facing barriers to health care, as we believe the entire community is well served when those most vulnerable can access quality health care.*

Dr. Lorne Rosenfield  
OA Volunteer Champion & Board Member

Your financial support will enable **Operation Access** to provide volunteer opportunities for over 1500 medical professionals, and coordinate donated care for 1500 underserved patients in the coming year.

For 22 years **Operation Access** (OA) has provided low-income, uninsured and often undocumented adults residing in the San Francisco Bay Area with donated (free of charge) surgical procedures and diagnostic services.

*Currently serving: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, and Sonoma Counties*

**Our Santa Clara pilot launches in 2015**

Dear. Dr. Rosenfiel, since I show up to your office, all your staff was so warm I like the way how they treat me, very professionals, because all you guys are. For over 45 years I lived without any hope to feel better with the problem I carry on for years (PALSI ), after You Dr. Rosenfiel you spend your value time on me giving me a better look without any cost. Wherever I can write down nothing will pay off the happiness you gave me. I know time pass very fast and I take to long to appreciate the wonderful job you did it. But never is late to say : DR. ROSENFIEL AND ALL YOUR STAFF THANK YOU VERY MUCH AND I WISH ALL MERRY CHRISTMAS AND HAPPY NEW YEAR 2014. Sincerly Rolando E. Segura

*Rolando E. Segura, OA Patient received static fascial sling eyelid ptosis reconstruction surgery through the generosity of OA Volunteer Champion Dr. Lorne Rosenfield.*
