## **Non Discrimination Policy and Affirmative Action Statement**

Ambulatory Surgery Access Coalition, doing business as “Operation Access”, is firmly committed to hiring and promoting individuals, to recruiting members of its Board of Directors, and to providing services to individuals without regard to race, creed, sex, sexual orientation, disability, physical handicap, HIV status, religion, national origin, ethnicity, age, political affiliation, color, marital or family status, veteran status, or personal appearance. It is the policy of the organization to provide equal employment to all persons and to promote the full realization of equal opportunity.

Further, it is the policy of Ambulatory Surgery Access Coalition to promote affirmative action in recruitment, hiring, and promotion whenever necessary to ensure equal opportunity.
